- (A) These Main Terms apply to services provided by the Digital Token Identifier Foundation (being a division of Etrading Software Limited, registered as a private limited company in England and Wales with registered company number 05237988 and registered address at First Floor, 6 Dowgate Hill, London, England, EC4R 2SU) ("DTIF").
- (B) The User has acquired a Subscription to a DTIF API Service. The DTIF has agreed to allow the User to access and use the DTIF Service and Data on behalf of itself and the Affiliates specified on the Subscription Form on the terms of the Agreement, which includes these Main Terms.

1 SUBSCRIPTIONS

1.1 The User may have one or more Subscriptions, the details of which will be reflected on a single or multiple Subscription Forms (as required by the DTIF). Each Subscription forms a separate legal agreement between the parties comprised of the following elements:

- (a) Sections A (Introduction) and Section B (User Details) of the Subscription Form;
 - (b) the Subscription Details for the relevant Subscription in Section C (Subscriptions) of the Subscription Form;
 - (c) these terms, being clauses 1 to 20 (the "**Main Terms**"); and
 - (d) the Policies,
- (collectively "the **Agreement**").

Any inconsistency between the terms of the Agreement shall be resolved in descending order of precedence as set out in this paragraph 1.1.

1.2 The DTIF may amend:

- (a) the Main Terms or Additional Terms by giving ninety (90) days' notice in writing to the User at any time where clause 1.2(c) does not apply;
- (b) the terms of a Policy, provided the DTIF gives the User notice in writing in accordance with the prescribed notice period set out therein in relation to material changes where they have a direct impact on the User. Where there is no prescribed notice period the DTIF will give the User as much notice in writing as is reasonably possible to such changes and in any case not less than ninety (90) days; and
- (c) the Main Terms, Additional Terms or the terms of a Policy with immediate effect where in the DTIF's reasonable opinion the safety or sustainability of a DTIF Service is in doubt,

and such notice being a "**Variation Notice**". Where terms incorporated by reference into this Agreement are available at a URL referenced in this Agreement, the DTIF may update the URL from time to time without being required to issue a Variation Notice provided that the new URL is either accessible via the original URL or easily accessible on the DTIF's website.

1.3 While the DTIF shall endeavour to make Users aware of any modifications to the Main Terms, Additional Terms and Policies, it is the User's responsibility to be aware of any modifications which are made to the Main Terms and Policies and to ensure that the User systems, procedures and communication links are at all times suitable for use with the DTIF Service.

- 1.4 Subject to clause 10.4, the User may terminate the Agreement with immediate effect by notice in writing to the DTIF if any such change to the Main Terms, Additional Terms or the terms of a Policy in accordance with clause 1.2 materially increases the scope of the User's obligations or materially restricts the scope of the User's rights under the Agreement, provided such notice is issued to the DTIF within thirty (30) days following the date of the relevant Variation Notice.
- 1.5 Any variation to the Agreement which is not capable of being unilaterally amended by the DTIF pursuant to clause 1.2 above shall be in writing and agreed between the parties.
- 1.6 Use of the DTIF Service is conditional upon the User's acceptance of the Agreement as indicated by signing the Subscription Form containing the relevant Subscription Details. If the Subscription Form is not signed by the User, the User's continued use of the DTIF Service shall constitute acceptance of the terms of the Agreement and the terms of the Agreement (as existing unsigned) shall govern the use of the DTIF Service by the User.
- 1.7 For the avoidance of doubt, the terms and conditions in the Agreement supersede any other agreements in place between the two parties specifically for the purpose of the DTIF Service.

2 COMMENCEMENT AND DURATION

- 2.1 The Agreement shall commence on the Commencement Date and, subject to its early termination in accordance with clauses 1.4, 15 or 18, continue in full force and effect until expiry of the **Initial Subscription Period**.
- 2.2 On the expiry of the Initial Subscription Period and each subsequent twelve (12) month period, the Agreement shall extend by a further period of twelve (12) months (the "**Renewal Period**") unless:
- (a) the User gives the DTIF written notice of non-renewal in accordance with clause 15.5; or
 - (b) in circumstances where the DTIF is entitled to terminate the Agreement, the DTIF gives the User written notice of non-renewal at least one hundred and eighty (180) days prior to the expiry of the Initial Subscription Period or the then current Renewal Period (as applicable).
- 2.3 The Initial Subscription Period and all subsequent Renewal Period(s) (if any) shall together be referred to as the "**Term**".

 - (d) Users must not knowingly engage in activities that may put the ongoing operational and commercial viability of the DTI Services at risk, including non-compliance with any DTIF Policies and the gamification of the fee model;

- (a) for a minor breach (for example where the User has breached the AUP no more than once in a rolling three (3) calendar month period without causing a significant operational issue for the DTIF Service), the DTIF shall communicate such breach to the DTIF Management Team and issue a Breach Notice to the User;
 - (b) for a moderate breach (for example where the User has breached the AUP more than once in a rolling three calendar month period with no visible attempts to the DTIF remedy such breach), the User’s sessions may be suspended, and messages sent to the DTIF Service will be rejected. DTIF shall communicate such breach to the DTIF Board and DTIF Management Team and issue a Breach Notice to the User;

Third Party Providers may impose additional terms and restrictions on usage, which terms and restrictions may change from time to time (the “Third Party Terms”). These Third Party Terms are binding on the User in the same way as any other provision in this Agreement and any breach will be treated as a material breach of this AUP. Third Party Terms may include, inter alia, prohibiting certain types of usage or requiring the User to report its usage to, obtain agreement from, or pay additional fees either through DTIF or directly to, the relevant Third Party Provider. Third Party Data and applicable Third Party Terms are set out on the DTIF website (<https://dtif.org/dti-api-third-party-data/>), which may be updated from time to time. Users agree that the relevant Third Party Provider may have the right to require that DTIF restrict, suspend or terminate the User’s access and that DTIF shall not be liable for any resulting Losses that the User may suffer.
- 8.2 Each User may access and use Third Party Data contained within the DTI Service solely and exclusively as part of the Data in this Agreement and may not use such Third-Party Data for any purpose other than for the identification of any associated ISIN or UPI. Users who wish to: (a) manipulate, extract or strip-out the Third Party Data from the Data; (b) use the Third Party Data for any purpose other than the identification of any associated DTI, or to identify or map non-DTI

- 9.1 All Intellectual Property Rights relating to the DTIF Service (including the Data) or made available by the DTIF to enable access to the DTIF Service as well as any data and information in any form whatsoever made available by the DTIF in connection with the Agreement (the “**DTIF Intellectual Property**”) will remain vested in the DTIF or its licensors and the User, Affiliates or End Users shall not acquire any Intellectual Property Rights in or to the DTIF Intellectual Property, and clause 9.5 shall apply if or to the extent that they might otherwise do so.

If the User disagrees with any amount invoiced for any reason or requires any further information with respect to any amount invoiced, it shall notify the DTIF within twenty-eight (28) days after receiving the invoice, outlining the reason(s) for such disagreement. Thereafter, the DTIF shall provide the User with such further information as the User may reasonably require in order to substantiate the invoiced amount. If the disagreement over the amount has not been resolved by the due date for payment of the invoice, the User shall pay such sum as is not in dispute or question and may withhold payment of the amount in dispute or question..
